When the Wine Spectator finally reviewed fifty-five
White Zinfandels, they rated us number one.

When the White House elected
to pour their first White Zinfandel they chose us.

We've been producing a White Zinfandel at Buehler since 1983. Our means of bringing you consistently delicious wines remains unchanged since 1983: we hand-pick our 100% zinfandel fruit riper than most producers and leave less residual sugar. Riper fruit translates to flavors like wild berries and strawberries; yes, real red zinfandel fruit flavors! The end result is a wine with more red zinfandel berry character and a less sweet, more refreshing taste.
